The Owners of First Choice Industrial, LLC, Formerly with Southeastern Machinery Group, Announce Their Continued Partnership as a Leading Dealer

Auburn, GA—January 01, 2009: After SCM Group relinquished Southeastern Machinery, Stan Paszkowski and Randy Majerus—experienced woodworking machinery sales and service leaders—established First Choice Industrial, LLC as an independent SCM Group USA dealer and distributor of a wide variety of industrial machinery and capital equipment.

“Though our company name and location have changed. . .” said Stan Paszkowski, founder and former President of Southeastern Machinery “. . . our dedication to customer satisfaction and professional service to the woodworking industry remains the same.” Paszkowski, along with Randy Majerus, former Southeastern Machinery Sales Manager, bring over 30 collective years of outstanding customer satisfaction, factory-trained service, and dedicated woodworking machinery sales experience to woodworkers throughout the southeast.

Representing a large selection of industrial woodworking machinery and equipment manufacturers, including SCM Group USA, Doucet, Koch, RazorGage, Striebeg, and Dantherm (among others), First Choice Industrial, LLC —located in Auburn, GA—is the southeast’s most complete industrial woodworking machinery and equipment dealer, offering new and used machinery and equipment sales, repair, installation, LEEDS consultation, leasing, repossession services, evaluation, de-installation, remarketing, storage and consignment sales.
