The Owners of First Choice Industrial, LLC, Formerly with Southeastern Machinery Group, Proudly Announce Their Continuing WMIA Membership

Auburn, GA—March 1, 2010: First Choice Industrial, LLC, has been approved for membership in The Woodworking Machinery Industry Association (WMIA)—a trade association representing importers and distributors of woodworking machinery and ancillary equipment in North America which has been a vital communications link between suppliers and the many manufacturers of wood and wood products in North America, since 1977.

“I first became involved in WMIA, during my 11 years as President of Southeastern Machinery Group. And now I am proud to be able to continue on with the organization in my new role as Owner/Partner of First Choice Industrial, LLC.” said Stan Paszkowski.

Representing a large selection of industrial woodworking machinery and equipment manufacturers, including SCM Group North America, Doucet, Koch, RazorGage, Striebeg, and Dantherm (among others), First Choice Industrial, LLC —located in Auburn, GA—is a leading industrial woodworking machinery and equipment dealer in the southeastern U.S. offering new and used machinery and equipment sales, repair, installation, LEEDS consultation, leasing, repossession services, evaluation, de-installation, remarketing, storage and consignment sales.
