First Choice Industrial, LLC Accepted Into The United Woodworking Machinery Exchange

Auburn, GA—April 15th: First Choice Industrial, LLC, a leading commercial woodworking machinery dealer located in metro-Atlanta is proud to announce its new affiliation with (UWME) The United Woodworking Machinery Exchange.

UWME, a leading group of experienced Woodworking Machinery Distributors, provides a wide variety of woodworking industry clients with great buying power and easy access to a national data base of their member's collective sales listings of used woodworking machinery and equipment.

“Becoming a Dealer Member of UWME helps us to expand our focus on delivering the values, solutions, and products our professional woodworking industry customers need to keep coming back!” said Stan Paszkowski, owner/partner of First Choice Industrial, LLC. Owner/partner, Randy Majerus, agrees. “Having our company being accepted into the United Woodworking Machinery Exchange is not only an honor, but a strategic marketing tool that we can utilize to help our company and our customers succeed in the economic recovery that is finally beginning to take hold.”

Representing 30 collective years of sales and service in Atlanta, GA, and throughout the southeastern United States, First Choice Industrial LLC, offers new and used machinery and equipment sales, repair, installation, LEEDS consultation, leasing, repossession services, evaluation, de-installation, remarketing, storage and consignment sales.

A leading industrial woodworking machinery and capital equipment distributor in the southeast, serving GA, FL, AL, TN . . . and beyond
